

WHEATON COLLEGE *Simple Takeaways*

Self-Serve Party Planning

Simple Take-Aways is a discount student catering service designed for student groups and organizations. It's an economical option for students who want to enhance their event. We are able to offer this service because it is essentially "self-serve". You choose the menu for your event from the selections listed in this brochure. Then, call or stop by the catering office with your order. Come to the office on the day and time the catering is requested, and your order will be packaged and ready to go, supplies and all. Equipment can be rented for an additional charge and/or deposit.

Days, Days, Days

Help us help you! Please place your order at least five business days prior to your event. We will do our best to accommodate last-minute requests.

Ordering Information

Orders must be accompanied by an account number. You may pay for your event with cash or Lyons Bucks. We look forward to helping you host a successful event. Call (508) 286-5451 to place an order.

Helpful Hints for Party Planning

Food Quantities

The time of day and purpose of the occasion will influence the quantity of food you will need. If you are serving light snacks or refreshments during or near meal times, typically you will need a larger quantity than in-between-meal periods. The quantities planned for per person events are average size portions. We can help you determine the appropriate amounts for your group.

Pick-Ups

The most economical way to host a party is to pick up the food and set it up yourself. Orders can be picked up at our catering kitchen. We can help you with transport and loading - i.e., loaning a cart, etc. If you need assistance, it's helpful to ask at the time the order is placed.
